CONDITIONS TO BE READ AND ACKNOWLEDGED BY STUDENT

This *Statement of Temporary Admission* may be used to register for the semester/term indicated above. The issuance of this form indicates that one or more records needed for full admission to the University has not been received by the Office of Admissions.

The records missing, indicated above, must be received by the Office of Admissions prior to early registration for your second semester of enrollment. Failure to furnish the necessary records will prevent you from enrolling for a second semester. In the event the final records indicate that you are not eligible for admission, you shall either be removed from your classes or, at the University's discretion, be allowed to complete your courses for audit credit only. If it is determined that you do not meet admission requirements after the end of your first semester, your grades will be retroactively changed to audit.

Beginning freshmen, transfer students, early admission students, dual enrollment students, post degree students. Transient students and unclassified students must meet requirements as designated by that classification in the University's admission policy.

Troy University transcripts will not be released until temporary status is cleared.

I understand the provisions of temporary admission and will furnish the missing documents to the Office of Admissions prior to early registration for my second semester of enrollment.
